

Thank for your comments on _____. During the public comment period held between December 20, 2013 and March 20, 2014, NOAA and EPA did not propose a decision on the approvability of _____ and did not solicit comment on this issue at this time. NOAA and EPA are only considering comments related to new development, OSDS, additional management measures for forestry and agriculture regarding CZARA at this time. The public will have an opportunity to comment on _____ at some point in the future before the agencies fully approve Oregon's coastal nonpoint program. If your comments are relevant when NOAA and EPA are requesting comment on that aspect of the program, then we encourage you to submit them at that time.

NOAA and EPA did not propose a decision on the approvability of the overall monitoring and tracking elements of Oregon's Coastal Nonpoint Program and did not solicit comment on this issue at this time. The public will have an opportunity to comment on this aspect of Oregon's program at some point in the future before the agencies fully approve Oregon's coastal nonpoint program. (See the appropriate Forestry and Agriculture sections in this document for responses to specific comments related to the monitoring and tracking efforts related to Oregon's forestry and agriculture programs.)

NOAA and EPA did not propose a decision on the approvability of Oregon's process for identifying critical coastal areas and additional management measures and did not solicit comment on this issue at this time. The public will have an opportunity to comment on this aspect of Oregon's program at some point in the future before the agencies fully approve Oregon's coastal nonpoint program.
